

Uplift Your Benefits

As a new State of Oregon employee, the benefits you are entitled to can positively affect your finances, health, and retirement. **Uplift Your Benefits is a workshop that is taken on paid work time to help you make the most of these benefits.** The workshop is required for new state employees, and is most helpful when taken before you make decisions about your benefits.

To register and find the full schedule go to your Workday account, **follow this link**, or scan the QR code below to sign up.
